Online and Mobile Banking

We are always happy to see our members in any of our branches and provide face-to-face service. But we understand that you're busy and can't always be here in person. That's where our Online and Mobile banking comes in. It's free, convenient, and there anytime you need it, 24x7. You can check account balances, transfer funds, make loan payments, get E-Statements, and even apply for a loan online. Other services

include Text Banking, E-Alerts, and Online Bill Pay. Our mobile app is available for Apple and Android devices, and you can download it for free in the App Store or Google Play. Go to www.texasplainsfederal.org to login or enroll today and give us a call at any of our branches if you have questions about Online and Mobile banking!

Direct Deposit of IRS Refunds

Direct Deposit is a safe, reliable, and convenient way to receive Federal payments. The Department of the Treasury's Bureau of the Fiscal Service and the Internal Revenue Service both encourage direct deposit of IRS tax refunds. Direct Deposit combined with IRS e-file provides taxpayers with the fastest and safest way to receive refunds.

You can direct your refund to any of your checking or savings accounts, **but you cannot direct your refund to someone else's account, except for your spouse's account, if this is a joint refund.** No more than three electronic refunds can be directly deposited into a single financial account or pre-paid debit card. Taxpayers who exceed the limit will receive an IRS notice and a paper refund.

Upon awareness of a Tax Refund deposit to an account that the recipient of the deposit does not have direct access to, we may return that deposit to the IRS without notification.

Refinance Promotion

In February and March, keep an eye out on our website and in your branch for an opportunity for an amazing deal to refinance your auto loan with us! You won't want to miss this deal - talk to a loan officer for more details!

Community Involvement

Community Debit Card and Canned Food Drive

Our 3rd Quarter Community Debit Card donation went to the High Plains Food Bank. With your help, we were able to donate over \$1770 in canned goods to the worthy cause of bringing food to those who need it. If you would like to help us give to causes like this, all you have to do is get one of our Community Debit Cards. Every time you use your card for a signature (credit) transaction, we'll donate a percentage to a charity every quarter.

Once again, we also participated in an effort championed by the Amarillo Area Credit Union Young Professionals to gather canned foods. Several area CUs participated in a friendly contest of canned food sculptures. At the time this newsletter was printed the final totals were not in. Pictured right is our sculpture for this year.

The staff of Texas Plains Federal would like to thank you for your participation in our community involvement in 2018, as well as helping us raise money for worthy causes by donating your own money or by using your Community Debit Card. Our participation in these causes wouldn't be nearly as effective without the generosity, support, and cooperation of our members. Thank you!

Coming Soon:

Texas Plains Federal will be opening a new branch in Tahoka, TX in the very near future. Stay tuned for news on this exciting project!
