Change Kids' Health.
Change the Future.

Throughout the year, our Community Card program helps us raise vital funds for amazing causes. This quarter, a portion of every swipe of your Texas Plains Federal Community Card will go directly to Children's Miracle Network. That means with every purchase you make, you're helping create miracles for local kids who need it most.

A huge **THANK YOU** to our incredible members for your continued generosity. Your participation in this campaign allows us to make a real impact together.

So keep swiping your Community Card and know that you're not just making everyday purchases, you're helping build a brighter future for sick and injured children across the panhandle!
